

***Bridgeway Capital has developed partnerships for application technical assistance (TA Partners) with Small Business Development Centers (SBDCs) and consulting firms to help small business owners navigate the application process.***

### **Application Portal Technical Support and Remote Application Assistance**

The application portal managed by Lendistry provides technical support and application assistance from getting started, to submitting an application, to the decision notification, and the distribution of funds. Connect with our dedicated customer service team at Lendistry.

### **Access to Office Equipment and Assistance Understanding Information Needed to Apply**

Our TA Partners may be able to help Small Business Owners navigate how to access office equipment, such as a computer or scanner. As well as assist in understanding the information needed to apply. Contact a TA Partner that serves your area to see how they may be able to help and confirm availability during the pandemic.
