An investment in the success of our clients.

Bridgeway provides ongoing support to the small business owners it serves.

Because we are more than just a lender, Bridgeway Capital is committed to helping our borrowers navigate the challenges and embrace the opportunities presented during their business's growth journey.

Our Client Success Network offers a robust suite of benefits, from networking events and skills-building workshops to exclusive resources and support. More than added value, the Client Success Network provides Bridgeway's loan clients and cohort graduates with the expertise, access, and connections to increase the bottom line and expand capacity.

Plus, an exclusive benefit! Active loan clients are eligible to receive one-on-one coaching for their business or nonprofit — technical assistance tailored to their needs and trajectory.

Loan clients and cohort graduates have access to valuable resources, including:

- Regional in-person networking events
- Online training on emerging small business issues
- In-person and virtual skill-building workshops
- Quarterly newsletter with updates on opportunities
- Access to curated online resources and tools
- Early access to new financial products
- Early access to new opportunities for cohort-based learning
- Early access to technical assistance projects
