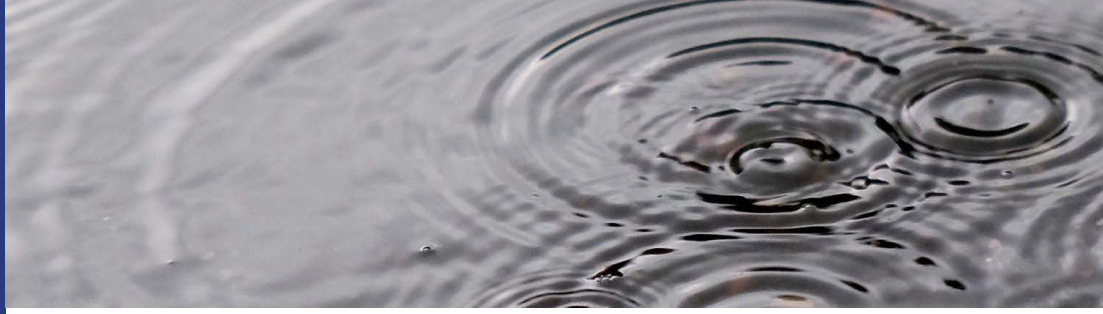
BRIDGEWAY CAPITAL



Nonprofit Rainy Day Loans

Our loans can help you:

- Cover emergency repairs such as furnace, roof, plumbing, or elevator replacements.
- Avoid service interruptions and preserve program continuity.
- Keep your facility at its best.
- Access capital without interest or fees.
- Build a long-term strategy for facility maintenance and resilience with expert guidance provided by our Customer Support Network.

Eligibility checklist:

- Nonprofits located in southwestern Pennsylvania that own, operate, and occupy the subject property.
- Repair project costs between $10,000 and $100,000.
- Not eligible for acquisition, major renovation, leasehold improvements, or passive real estate.

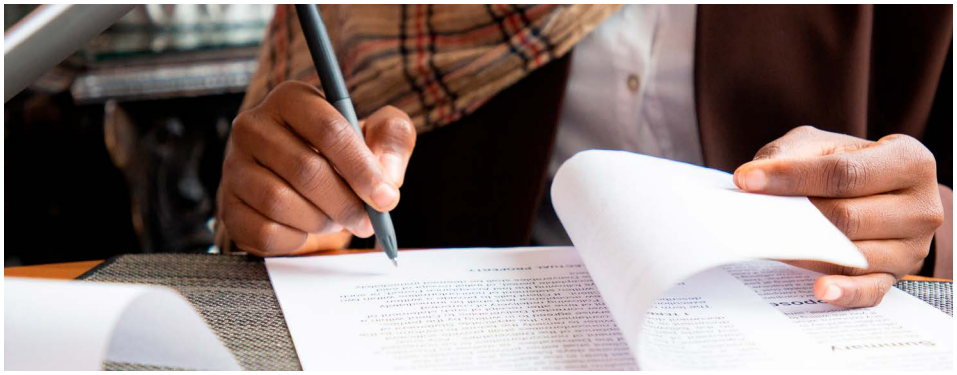
Connect your plan to capital—inquire today.

Be prepared for the unexpected.

Unexpected facility issues like a broken furnace, leaky roof, or malfunctioning elevator can disrupt operations and strain your budget. The Rainy Day Loan gives you peace of mind by providing a financial safety net, and expert support to plan ahead.

Bridgeway's Nonprofit Rainy Day Loan provides interest-free capital to help nonprofits respond quickly to urgent building repairs, without diverting resources from your mission. The product works a little differently. First, you apply and are approved for up to $100,000. Then, when you're faced with a repair cost, you provide Bridgeway with a quote for the work that needs to be done and Bridgeway will release funds to cover the cost. Finally, you pay back the amount you've drawn in equal monthly installments over 5 years. *No interest, no fees.*



Loan Features:

Loan Size	Preapproved for up to $100,000
Loan Terms	Up to 5 years after capital is drawn.
Rates	0%
Fees	No fees.
Draw Facility	Funds can be drawn with evidence (e.g., contractor's estimate) of a repair cost.
Repayment Terms	Drawn principal is paid in equal monthly installments over 5 years.
